One of Shane homes best floor plans. This home has unjque design elements you will not find in Silverado. Modern touches and finishes incorporated into the traditional great room plan. Form with function. Dark Clean line cabinetry, granite, stainless steel, contemporary backsplash, and a W hotel style feature wall which incorporates the modern sleek fireplace. Hardwood floors throughout the main floor. Doors from the Dining area to a large two tier deck overlooking an expansive fully landscaped yard. Upper level features a very spacious family/bonus room flooded with west sun. Three large bedrooms, including a full master suite with dual sinks, amazing walk in closet, large tub and separate shower. Tasteful, contemporary décor makes this home excellent value in a fast growing, well planned community.
